---	------	----------	------	--------	--------	--------------

Stage Management

Number of Laps3

Number of Qualification Rounds4

Number of Finals2

Operation History:

☒ Auto Clear

☐ Activate Serial Port Monitor

The operation history can be removed in this section, and Group management will go to a new tab "Round Management"

Rename this to
"Qualification Round"

Rename button to "Add Pilots to
Qualification Round"

New tab "Round Management"

Perfect, this will be Q1, Q2, ...
I like the random selection

Rename this
to "1/4 Round"

Group Management

Number of Pilots per Group

ADD PILOTS TO GROUPS

Group A	Group B	Group C	Group D	Group E	Group F	Group G	Group H	Group I	Group J	Group K	Group L	Group M	Group N	Group O
#	TAG ID												E-Mail	Confirmation

Can be deleted we are using the same value that are in “ Number of Pilot per Groups”

Can be deleted we are using the
same value that are in "Number of
Pilot per Groups"

Group Management

ADD PILOTS TO GROUPS

Group A	Group B	Group C	Group D	Group E	Group F	Group G	Group H	Group I	Group J	Group K	Group L	Group M	Group N	Group O
#	Name	TAG ID										E-Mail	Confirmation	

Only 4 groups are needed

This will be R1,R2, R3 and R4

Only 4 groups are needed

This will be R1,R2, R3 and R4

Group Management

ADD PILOTS TO GROUPS

Group A	Group B	Group C	Group D	Group E	Group F	Group G	Group H	Group I	Group J	Group K	Group L	Group M	Group N	Group O
#	Name	Nickname	Team	TAG ID							E-Mail	Confirmation		

This will be S1 and S2

This will be S1 and S2

Group Management

ADD PILOTS TO GROUPS

Group A	Group B	Group C	Group D	Group E	Group F	Group G	Group H	Group I	Group J	Group K	Group L	Group M	Group N	Group O
#	Name	Team	TAG ID										E-Mail	Confirmation

Only 2 groups are needed

Remove, is not working and is not needed

This will be F1 and F2

Only 2 groups are needed

This will be F1 and F2

Remove, is not working
and is not needed

Stage Management

Number of Laps 3

Number of Qualification Rounds 4

Number of Finals 2

This will be the aspect of the new tab, "Round Management" I've kept the button to add pilots to the round I think that is simple to organize and for debug the interface, after testing the reader we can make this all automatic.

"Round Management" in detail – QUALIFICATION ROUNDS

Rename this to
"Qualification Round"

Rename button to "Add Pilots to
Qualification Round"

Perfect, this will be Q1, Q2,

Rename this
to" 1/4 Round"

"Round Management" in detail – 1/4 ROUNDS

Rename this
button to"Add
Pilots to 1/4

Group Management

ADD PILOTS TO GROUPS

Group A Group B Group C Group D Group E

Only 4 groups are needed

Group K Group L Group M Group N Group O

This will be R1,R2, R3 and R4

Notes:

- The time for determinate the winner is always the average time of the "number of laps" value

When we click in add pilots to 1/4 round the app will grab the pilots using the Best Average time on Race rank

Draw for 1/4 th final round				
Race 1	Placed 1	Placed 5	Placed 9	Placed 13
Race 2	Placed 4	Placed 8	Placed 12	Placed 16
Race 3	Placed 3	Placed 7	Placed 11	Placed 15
Race 4	Placed 2	Placed 6	Placed 10	Placed 14

Use this formula to
populate the 1/4 group

"Round Management" in detail – Semi FINAL

Rename this to "Semi Final Round"

Rename this button to "Add Pilots to Semi Final"

Group Management

ADD PILOTS TO GROUPS

Only 2 groups are needed

This will be S1 and S2

Semi-final round

Semi 1	2 nd race 1
	1 st race 1
	1 st race 2
	2 nd race 2
Semi 2	2 nd race 3
	1 st race 3
	1 st race 4
	2 nd race 4

Use this formula to populate the Semi Final group

Group Management

ADD PILOTS TO GROUPS

Only 2 groups are needed

This will be F1 and F2

Rename this to "Final Round"

Rename this button to Final Round

FINAL A	1st on Semi 1
	2nd on Semi 1
	1st on Semi 2
	2nd on Semi 2
FINAL B	3rd on Semi 1
	4th on Semi 1
	3rd on Semi 2
	4th on Semi 2

Use this formula to populate the Final group

Stage Management

Number of Laps 3

Number of Qualification Rounds 4

Number of Finals 2

After this value, the app will be ready to populate the 1/4 round

Remove, is not working and is not needed

Possible look for the new pilo tab

Operation History: ☒ Auto Clear ☐ Activate Serial Port Monitor

Probably adding an extra button to confirm the times to be send to the DB as good times, what is your opinion?

We press STOP to finish the race, and then we review the times, if it's all ok, then we press the confirmation button to send the time to the DB

It's is possible to put an option to edit the fields of lap time after we click on the stop button, if we detect a malfunction of the system we can manually correct the times
